

Qualifications in Enterprise and Business Support

For individual providing business support

SACOMA SFEDI Centre can now offer development assessment and accreditation for Business Advisors, coaches and Trainers who want to get a nationally recognised qualification and are designed to enable both those who wish to start and grow their own business and the business support professionals who work with them. We recognise that individuals wanting to go into self employment don't always have the generic business skills such as sales and marketing, managing finance and business planning.

SACOMA Centres of Excellence and SFEDI Awards Centre provides easy access to small business friendly qualifications based on the SFEDI National Occupational Standards.
