

We promise to give you help and support to use computers and the internet

What could you do online?

Health Check online? Self-publishing and content creation, Financial savings? Learning opportunities? Tax return? Employment opportunities? Shopping? Health check? job hunting? Commercial opportunities? public services online? Connect, communicate and stay in touch? Business, Shopping Online? Banking online

Knowing how to use a computer and the internet can help make life a lot easier by

Fact: Digital technology is no longer simply desirable. It is rapidly becoming an essential facility for citizens and consumers in modern society.

New Technology, New Opportunities and New Risks: Saving time and money

We are here to help people get to grips with technology and get the skills and confidence they need to get connected, and change their lives for the better.

Fact:

- 38% would rather hold a spider than pick up a mouse and start clicking away.
- 52 % would rather get on a plane than get online, despite being afraid of flying
- 70% who live in social housing aren't online.
- 29 % said that they were scared of 'breaking the computer'
- 39 % believe that the internet is 'just for young people'

GET ONLINE OR MISS OUT
Saturday 17th July 2010
CASTLE GREEN
 Gale-Street, Dagenham, RM9 4JN
 Starts @ 3.30pm

How do you stay safe online?

Diverting Young People from Risk Taking behaviour Online?
Latest technologies (Skype, Twitter, Face book, LinkedIN, Youtube, Webinars)?
Equipping parents with technical knowledge to monitor and report online activity

SACOMA is helping people to transform how they learn, how businesses operate, how they find jobs and how they do them, how they access public services and how they develop creativity to make the most of free time and network with friends.

SACOMA UK Online Centres is part of a big cross-sector movement to unlock all these benefits: for individual, for business, for the wider good of the country. Take the opportunity to discuss the benefits and risks of new technologies in small groups with young people. Contact us:

We are better off when everyone's online
